Strike a Pose

By Mapalé Lingerie

Minimalism at its purest state, clean lines that trace her hips flowing down her body's silhouette; playing like a steady cadence with a tonality to a curvy harmonic body. Breaking the normal patterns while creating breaking points that are distinctly displayed in the waist line or under the bust. One way or another always sexy, always exposed, always reinventing herself... that's the Mapalé woman.

For her simple and basic are not synonymous with boring on the contrary she shows it off by sporting daring styles with the key element being a lightweight, soft microfiber that acts almost like a second skin. Washed barely opaque colors more like translucent she bares it all because she has nothing to hide.

Shining Star

BY MAPALÉ LINGERIE

Mapalé's sensuality meets rock and roll, creating iconic pieces where embroidered stars and mesh are the headliners. Black is the leading threat of this rebel youthful story with an eager impulse to take on the world. Accompanied with silver glitter accents on printed techniques. Music sets the tone as the Mapalé woman becomes the muse that inspired all the rock classics that is vintage with a side of irreverent, but above all sexy and provocative.

A woman with long, wavy brown hair is lying on her back on a textured, orange-brown surface. She is wearing a black lace bodysuit with a high-cut leg. Her hands are near her face, and she is looking directly at the camera with a slight smile. The lighting is warm and dramatic, highlighting the texture of the lace and the surface.

The Seductress

Mapalé state of mind.

There's no need for words when it comes to this line which is basically Mapalé's essence and DNA. Eroticism, sensuality, lace, sheeress, strappy designs, and peek a boo. Seduction to the max with Mapalé is nothing less than just expertise styling.
