MISFIT

Introducing Misfit! For the rule-breakers, the wild hearts, the women who don't ask for attention but command it. With a gothic-romantic edge and a touch of untamed rebellion, this collection dares to defy the norm. Think sheer printed mesh that hugs like a second skin, blood-red rose embroidery, bold floral lace, and leather-look textures made for power play. Misfit isn't about fitting in, it's about standing out, unapologetically.
