Dear Valued Customer,

Step into style with the Highest Heel! We are pleased to present to you the 2017 Highest Heel Collection. This year's collection includes NEW licensed styles from DC Comics Wonder Woman and Poison Ivy, along with Dorothy's iconic ruby red slippers from the Wizard of Oz. The entire collection is perfect for everyday dress up and will make any Halloween costume complete! From boots and booties to pumps and platforms, every unique design exudes sophistication, style and a touch of sass.

An unparalleled company in the shoe industry, Highest Heel provides women with a variety of trendy styles and colors. Each original design offers high quality craftsmanship, including comfort padded arch support – allowing for longer wear.

In addition to our current selection of footwear, The Signature Collection offers today's hottest trends in fashion. We're also introducing two new "Day of the Dead" styles, capturing a very popular cultural trend.

As with all Highest Heel items, our shoes come in multiple heel heights and are specially created with the Highest Heel world famous Exclusive Comfort Foot Bed Design. It's this commitment to quality, comfort and fit that differentiates Highest Heel from the competition. We strive to continuously provide our customers with glamorous shoes at affordable pricing. Our online inventory also makes ordering a breeze.

On behalf of the entire Highest Heel team we would like to thank you for your continued support and hope you enjoy our vast collection of fun and fashionable footwear!
