# Once Upon a Time...

...we lived in a Fairy Tale Land  
where there was more than enough.

Today, in an effort to reduce our ecological footprint,  
we have cut down the size of our paper catalog.

By showing our New for 2017 styles at full size,  
we can show our continuing styles from past years  
in a quick view format. Colorful full size images and  
complete descriptions are easily found online at  
our new, easy-to-navigate website:

[www.InCharacter.com](http://www.InCharacter.com)

At less than half the size as before, we are  
using **FSC** papers which are from responsibly  
sourced forests and low **VOC** inks which  
cause less air pollution. Clear skies abound!

With InCharacter Costumes' contributions to  
help save the environment AND our exciting New for  
2017 Costume Lines, we all can truly look forward to:
