Shaper Costumes are designed with the everyday woman in mind and incorporates a never before seen concept of creating a costume with a built-in body shaper to enhance and define every curve and asset.

With a wide variety of sizing options, every girl will find her fit. In a world of boring, poorly fitting costumes, Party King chooses to introduce costumes designed to not only flatter and enhance a woman's body, but also showcase an incomparable sense of quality and attention to detail while redefining the classics.
