Retiring After 25 Years!

Those who know Rick Lieberman, affectionately known as "Dr." Lieberman, know his larger than life personality with a heart to match. Characteristically loud, funny and always cheerful, it's hard to miss Rick at a trade show. Whether he's telling a customer a corny joke or saying to a young recruit "I've got neck ties older than you", Rick manages to leave a rich impression that matches his inimitable presence.

Rick
The Man, The Myth, The Legend

A sales veteran of a thriving fashion business in the 70's, by the 1980's Rick had created quite a name for himself selling fancy cocktail dresses. After many successful years, Rick took a break from the business but soon found this self-imposed respite boring and tedious. Ready to get back to work and try something new, Rick joined California Costumes in 1994.

That was 25 years ago.

Selling Halloween proved to be the right fit for Rick as his entertaining delivery and avuncular charm helped make California Costumes the success it is today. Rick served as Executive Vice President since 1998 and leaves an enduring sales legacy, having generously imparted his years of expertise, wit and wisdom to those around him.

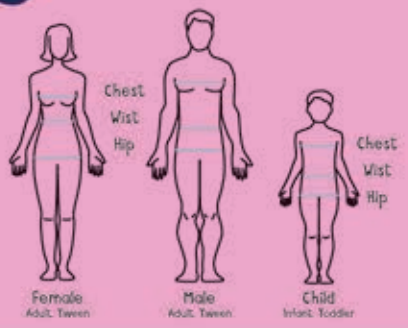

Rick, may you be proud of all the work that you have done, the wonderful person that you are and the difference that you have made.

The California Costumes family wishes Rick a Happy Retirement and a Long Life!

DEVIN'S 31 DAYS OF HALLOWEEN

Devin moved from Chicago to LA in 2018 and joined our company as product coordinator. A true fan of Halloween, Devin genuinely loves costumes and the transformation process to final character. In 2018, she started doing this thing where she would dress up in a new costume every day for the entire month of October and take pictures to post on Facebook and Instagram. We've all been amazed by Devin's creativity and inexhaustible dedication to this month long endeavor. Her costumes run the gamut from conventional to abstract and sublime to just crazy, so we thought it would be cool to share these images with our customers.

Here's Devin's collection of 31 Days of Halloween 2019.

Enjoy!
