2018 - 2019

Dear valued customer,

Rubie's, the world's largest designer and manufacturer of Halloween costumes and accessories, is once again pleased to offer you and your customers the latest and most innovative concepts in the business. Our designers and product developers have been hard at work all year, and in these pages you'll be delighted to find the fruits of their labors.

In our freshly redesigned Costume Collection catalog, you will find creative additions to Rubie's New Collection which debuted last year, as well as a brand new collection of classic costumes for the budget-minded. For all the littlest ones, explore the many adorable new designs in the Infants and Toddlers section. We are also very happy to offer you many exciting new products in our revamped Accessories Collection.

Licensed products continue to dominate the industry, and Rubie's is pleased to present the best licensed products available. In our New Licensed Product and Marvel catalogs, we offer you the latest characters from huge pop culture hits such as DC Comics' **Justice League™** and Marvel's **The Avengers: Infinity War** and **Black Panther**. From a galaxy far, far away, **Star Wars™** continues to gain in popularity, and we give you styles from **Episode 8: The Last Jedi** and the exciting new animated series **Forces of Destiny**. For horror fans, you'll find the enormously popular hit, **IT™ 2017** as well as **Jigsaw™** and **Annabelle Creation™**. New fun fashion items are offered for **DC Super Hero Girls™**, and the young witches at Hogwarts™ in JK Rowling's **Wizarding World**. For the youngest trick-or-treaters, we treat you to **Barbie™**, **Enchantimals™**, **Feisty Pets™** and many more. Don't forget to check our website, **rubies.com**, for all your old favorites such as **Elvis**, **The Wizard of Oz™**, classic **Star Wars™** and **Harry Potter™**, and **Ghostbusters**.

All of us at Rubie's Costume Company wish you a happy, healthy and prosperous Halloween season. We'd also like to take this opportunity to sincerely thank each and every one of you for your continued support and patronage.

Measuring Tips

Here are some tips to help you order the correct size. If you don't have a measuring tape, using a piece of string, follow the guidelines below and hold it alongside a ruler.

Bust

Lift your arms, stand with your heels together and measure around the bust line at the fullest part of your chest.

Chest

Lift your arms, stand with your heels together and measure around the fullest part of your chest.

Waist

Place your hands at your natural waistline. This is where the tape should be positioned. If you cannot find your natural waist, stand with your feet slightly apart and bend to the side. Where your waist creases is the natural waist.

Hips

Stand with your heels together and measure around the fullest part of your hips.

Inseam

Stand up straight with your legs slightly apart and measure from just below your crotch to the bottom of your ankle.
